32	subsection must be uniform throughout the public agency and uniform
33	to all purchasers.
34	(e) If:
35	(1) a person is entitled to a copy of a public record under this
36	chapter; and

29	(c) Before the adoption of a preliminary written plan, the county

31	encountered by the county committee in formulating a plan. Following
32	the meeting, the state board may waive in writing any specified

38	SECTION 63. IC 20-23-4-19, AS AMENDED BY P.L.2-2006,
39	SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
40	JULY 1, 2015]: Sec. 19. (a) If the creation of a community school
41	corporation out of an existing corporation:

(1) would not involve a change in its territorial boundaries or in

1	its board of school trustees or other governing body, other than a
2	change in the time of election or appointment or the time the
3	board members take office; and
4	(2) is consistent with the standards set up under this chapter and
5	the standards set out in this section;
6	the state hoard may on its own motion or on netition of the governing

the state board may on its own motion or on petition of the governing body of the existing school corporation at any time with hearing in the county where the school corporation is located, after notice by publication at least once in one (1) newspaper of general circulation published in the county where the school corporation is located, at least ten (10) but not more than thirty (30) days before the date of a hearing, and without action of the county committee declare the existing school corporation to be a community school corporation by adopting a resolution to this effect. The existing school corporation qualifies as to size and financial resources if it has an ADA of at least two hundred seventy (270) students in grades 9 through 12 or at least one thousand (1,000) students in grades 1 through 12, and has an assessed valuation per student of at least five thousand dollars (\$5,000).

- (b) For purposes of this section, the following terms have the following meanings:
  - (1) "County tax" means a property tax:
    - (A) that is levied at an equal rate in the entire county in which any school corporation is located, other than a tax qualifying as a countywide tax within the meaning of Acts 1959, c.328, s.2, or any similar statute; and
    - (B) for which the net proceeds of which are distributed to school corporations in the county.
  - (2) "Assessed valuation" of any school corporation means the net assessed value of its real and personal property as of March 1, 1964, adjusted in the same manner as the assessed valuation is adjusted for each county by the department of local government finance under Acts 1949, c.247, s.5, as amended, unless that statute has been repealed or no longer provides for an adjustment. If a county has a county tax, the assessed valuation of each school corporation in the county shall be increased by the amount of assessed valuation, if any, that would be required to raise an amount of money, equal to the excess of the amount distributed to any school corporation from the county tax over the amount collected from the county tax in the school corporation, using total taxes levied by the school corporation in terms of rate:
    - (A) excluding the countywide tax under Acts 1959, c.328, s.2, or any similar statute; and

(B) including all other taxes levied by or for the school corporation.

The increased valuation shall be based on the excess distributed to the school corporation from the county tax levied for the year 1964 and the total taxes levied for the year, or if the county tax is first applied or is raised for years after 1964, then the excess distributions and total taxes levied for the year in which the tax is first applied or raised. If the excess distribution and total taxes levied cannot be determined accurately on or before the adoption of the resolution provided in this section, excess distribution and taxes levied shall be estimated by the department of local government finance using the last preceding assessed valuations and tax rates or such other information as that department determines, certifying the increased assessment to the state board before such time. In all cases, the excess distribution shall be determined upon the assumption that the county tax is one hundred percent (100%) collected and all collections are distributed.

- (3) "Assessed valuation per student" of any school corporation means the assessed valuation of any school corporation divided by its ADA in grades 1 through 12.
- (4) "ADA" in any school corporation means the average daily attendance of students who are residents in the school corporation and in the particular grades to which the term refers for the school year 1964-1965 in accordance with the applicable regulations of the state superintendent, used in determining average daily attendance in the distribution of the tuition funds by the state to its various school corporations where funds are distributed on such basis and irrespective of whether the figures are the actual resident daily attendance of the school for the school year.
- (c) The community school corporation automatically comes into being on either July 1 or January 1 following the date of approval, whichever is earlier. The state board shall mail by certified mail, return receipt requested, a copy of the resolution certified by the county committee's chairperson or secretary to:
  - (1) the recorder of the county from which the county committee having jurisdiction of the existing school corporation was appointed; and
  - (2) the county committee.

The resolution may change the time of election or appointment of the board of trustees of the school corporation or the time the trustees take office. The recorder shall without cost record the certified resolution in

the miscellaneous records of the county. The recording constitutes a permanent record of the action of the state board and may be relied on by any person. Unless the resolution provides that an interim member of the board of trustees shall not be appointed, the board of trustees in office on the date of the action continues to constitute the board of trustees of the school corporation until their successors are qualified, and the terms of their respective office and board membership remain unchanged except to the extent the resolution otherwise provides. For purposes of this chapter and IC 20-23-16-1 through IC 20-23-16-11, IC 20-23-16-5, a community school corporation shall be regarded as a school corporation created under section 16 of this chapter.

(b) This section:

- (1) does not apply to the time within which a county committee must accept jurisdiction of all or part of a school corporation from another county committee following a petition under IC 20-23-16-1; and
- (2) may not be construed to extend the time within which petitions may be filed by registered voters under this chapter or IC 20-23-16-1 through <del>IC 20-23-16-11.</del> **IC 20-23-16-5.**

24	school corporations, regardless of whether the consolidating school
25	corporations are of the same or of a different character, may
26	consolidate into one (1) metropolitan school district. Subject to
27	subsection (h), the consolidation must be initiated by following either
28	of the following procedures:

34	(A) adopt substantially identical resolutions providing for the
35	consolidation; and

- consolidation; and
- (B) publish a notice setting out the text of the resolution one (1) time under IC 5-3-1.
- The resolution must set forth any provision for staggering the terms of the board members of the metropolitan school district elected under this chapter. 1	school corporation is filed with the clerk of the circuit court of
2	each county where the voters who are eligible to sign the petition
3	reside, a referendum election shall be held as provided in
4	subsection (c).
5	(2) Instead of the adoption of substantially identical resolutions in
6	each of the proposed consolidating school corporations under
7	subdivision (1), a referendum election under subsection (c) shall
8	be held on the occurrence of all of the following:
9	(A) At least twenty percent (20%) of the registered voters
10	residing in a particular school corporation sign a petition
11	requesting that the school corporation consolidate with another
12	school corporation (referred to in this subsection as "the
13	responding school corporation").
14	(B) The petition described in clause (A) is filed with the clerk
15	of the circuit court of each county where the voters who are
16	eligible to sign the petition reside.
17	(C) Not more than thirty (30) days after the service of the
18	petition by the clerk of the circuit court to the governing body
19	of the responding school corporation under subsection (b) and
20	the certification of signatures on the petition occurs under
21	subsection (b), the governing body of the responding school
22	corporation adopts a resolution approving the petition and
23	providing for the consolidation.
24	(D) An approving resolution has the same effect as the
25	substantially identical resolutions adopted by the governing
26	bodies under subdivision (1), and the governing bodies shall
27	publish the notice provided under subdivision (1) not more
28	than fifteen (15) days after the approving resolution is adopted.
29	However, if a governing body that is a party to the
30	consolidation fails to publish notice within the required fifteen
31	(15) day time period, a referendum election still must be held

If the governing body of the responding school corporation does not act on the petition within the thirty (30) day period described in clause (C), the governing body's inaction constitutes a disapproval of the petition request. If the governing body of the responding school corporation adopts a resolution disapproving the petition or fails to act within the thirty (30) day period, a referendum election as described in subsection (c) may not be held and the petition requesting the consolidation is defeated.

as provided in subsection (c).

The petition may be executed in several counterparts, the total of which constitutes the petition. Each counterpart must contain the names of voters residing within a single county and shall be filed with the clerk of the circuit court of the country. Each counterpart must have attached to it the affidavit of the person circulating the counterpart that each signature appearing on the counterpart was affixed in that person's presence and is the true and lawful signature of each person who made the signature. Any signer may file the petition or any counterpart of the petition. Each signer on the petition may before and may not after the filing with the clerk withdraw the signer's name from the petition. A name may not be added to the petition after the petition has been filed with the clerk. After the receipt of any counterpart of the petition, each circuit court clerk shall certify:

- (1) the number of persons signing the counterpart;
- (2) the number of persons who are registered voters residing within that part of the school corporation located within the clerk's county, as disclosed by the voter registration records in the office of the clerk or the board of registration of the county, or wherever registration records may be kept;
- (3) the total number of registered voters residing within the boundaries of that part of the school corporation located within the county, as disclosed in the voter registration records; and
- (4) the date of the filing of the petition.

Certification shall be made by each clerk of the circuit court not more than thirty (30) days after the filing of the petition, excluding from the calculation of the period any time during which the registration records are unavailable to the clerk, or within any additional time as is reasonably necessary to permit the clerk to make the certification. In certifying the number of registered voters, the clerk of the circuit court shall disregard any signature on the petition not made within the ninety (90) days immediately before the filing of the petition with the clerk as shown by the dates set out in the petition. The clerk of the circuit court shall establish a record of the certification in the clerk's office and shall serve the original petition and a copy of the certification on the county election board under IC 3-10-9-3 and the governing bodies of each affected school corporation. Service shall be made by mail or manual delivery to the governing bodies, to any officer of the governing bodies, or to the administrative office of the governing bodies, if any, and shall be made for all purposes of this section on the day of the mailing or the date of the manual delivery.

- (c) The county election board in each county where the proposed metropolitan school district is located, acting jointly where the proposed metropolitan school district is created and where it is located in more than one (1) county, shall cause any referendum election required under either subsection (a)(1) or (a)(2) to be held in the entire proposed metropolitan district at a special election. The special election shall be not less than sixty (60) days and not more than ninety (90) days after the service of the petition of protest and certification by each clerk of the circuit court under subsection (a)(1) or (a)(2) or after the occurrence of the first action requiring a referendum under subsection (a)(2). However, if a primary or general election at which county officials are to be nominated or elected, or at which city or town officials are to be elected in those areas of the proposed metropolitan school district that are within the city or town, is to be held after the sixty (60) days and not more than six (6) months after the service or the occurrence of the first action, each election board may hold the referendum election with the primary or general election.
- (d) Notice of the special election shall be given by each election board by publication under IC 5-3-1.
- (e) Except where it conflicts with this section or cannot be practicably applied, IC 3 applies to the conduct of the referendum election. If the referendum election is not conducted at a primary or general election, the cost of conducting the election shall be charged to each component school corporation included in the proposed metropolitan school district in the same proportion as its assessed valuation bears to the total assessed valuation of the proposed metropolitan school district and shall be paid from any current operating fund of each component school corporation not otherwise appropriated, without appropriation.
- (f) The question in the referendum election shall be placed on the ballot in the form prescribed by IC 3-10-9-4 and must state "Shall the school corporations of \_\_\_\_\_\_ be formed into one (1) metropolitan school district under IC 20-23-7?" 23	increase of the school corporation for the preceding three (3)

32	of classrooms that:
33	(A) are owned, under a lease-rental arrangement, or under

2	thousand dollars (\$20,000).
3	(c) For purposes of this section, the school corporation's tax ability
4	in terms of money, is the amount determined under STEP TWO of the
5	following formula:
6	STEP ONE: Determine six and one-half percent (6 1/2%) of the
7	adjusted value of taxable property in a school corporation as
8	determined under IC 36-1-15-4 for state and county taxes
9	immediately preceding the date of application.
10	STEP TWO: Subtract from the STEP ONE amount the sum of the
11	following:
12	(A) The principal amount of any outstanding general
13	obligation bonds of the school corporation.
14	(B) The principal amount of outstanding obligations of any
15	corporation or holding company that has entered into a
16	lease-rental agreement with the applicant school corporation
17	(C) The principal amount of outstanding civil township, town
18	or city school building bonds.

- (1) an owner who contracts for performance of work on the owner's owner occupied residential property; or
- (2) a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

- (c) Every employer who, by election, is bound by the compensation provisions of this chapter, except those exempted from the provisions by subsection (b), shall:
  - (1) insure and keep insured the employer's liability under this chapter in some corporation, association, or organization authorized to transact the business of worker's compensation insurance in this state; or

 amount and manner and when due as provided for in this chapter.
 In the latter case the board may require the deposit of an acceptable
 security, indemnity, or bond to secure the payment of compensation
 liabilities as they are incurred.
 (d) Every employer required to carry insurance under this section

- (d) Every employer required to carry insurance under this section shall file with the worker's compensation board in the form prescribed by it, within ten (10) days after the termination of the employer's insurance by expiration or cancellation, evidence of the employer's compliance with subsection (c) and other provisions relating to the insurance under this chapter. The venue of all criminal actions under this section lies in the county in which the employee was last exposed to the occupational disease causing disablement. The prosecuting attorney of the county shall prosecute all violations upon written request of the board. The violations shall be prosecuted in the name of the state.
- (e) Whenever an employer has complied with subsection (c) relating to self-insurance, the worker's compensation board shall issue to the employer a certificate which shall remain in force for a period fixed by the board, but the board may, upon at least thirty (30) days notice, and a hearing to the employer, revoke the certificate, upon presentation of satisfactory evidence for the revocation. After the revocation, the board may grant a new certificate to the employer upon the employer's petition, and satisfactory proof of the employer's financial ability.
- (f)(1) Subject to the approval of the worker's compensation board, any employer may enter into or continue any agreement with the employer's employees to provide a system of compensation, benefit, or insurance in lieu of the compensation and insurance provided by this chapter. A substitute system may not be approved unless it confers benefits upon employees and their dependents at least equivalent to the benefits provided by this chapter. It may not be approved if it requires contributions from the employees unless it confers benefits in addition to those provided under this chapter, which are at least commensurate with such contributions.
- (f)(2) The substitute system may be terminated by the worker's compensation board on reasonable notice and hearing to the interested parties, if it appears that the same is not fairly administered or if its operation shall disclose latent defects threatening its solvency, or if for any substantial reason it fails to accomplish the purpose of this chapter. On termination, the board shall determine the proper distribution of all remaining assets, if any, subject to the right of any party in interest to

take an appeal to the court of appeals.

(g)(1) No insurer shall enter into or issue any policy of insurance under this chapter until its policy form has been submitted to and approved by the worker's compensation board. The board shall not approve the policy form of any insurance company until the company shall file with it the certificate of the insurance commissioner showing that the company is authorized to transact the business of worker's compensation insurance in Indiana. The filing of a policy form by any insurance company or reciprocal insurance association with the board for approval constitutes on the part of the company or association a conclusive and unqualified acceptance of each of the compensation provisions of this chapter, and an agreement by it to be bound by the compensation provisions of this chapter.

- (g)(2) All policies of insurance companies and of reciprocal insurance associations, insuring the payment of compensation under this chapter, shall be conclusively presumed to cover all the employees and the entire compensation liability of the insured under this chapter in all cases in which the last day of the exposure rendering the employer liable is within the effective period of such policy.
- (g)(3) Any provision in any such policy attempting to limit or modify the liability of the company or association insuring the same shall be wholly void.
- (g)(4) Every policy of any company or association shall be deemed to include the following provisions:
  - "(A) The insurer assumes in full all the obligations to pay physician's fees, nurse's charges, hospital supplies, burial expenses, compensation or death benefits imposed upon or accepted by the insured under this chapter.
  - (B) This policy is subject to the provisions of this chapter relative to the liability of the insured to pay physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, compensation or death benefits to and for such employees, the acceptance of such liability by the insured, the adjustment, trial and adjudication of claims for such physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, compensation, or death benefits.
  - (C) Between this insurer and the employee, notice to or knowledge of the occurrence of the disablement on the part of the insured (the employer) shall be notice or knowledge thereof, on the part of the insurer. The jurisdiction of the insured (the employer) for the purpose of this chapter is the jurisdiction of this insurer, and this insurer shall in all things be bound by and shall

1	be subject to the awards, judgments and decrees rendered against
2	the insured (the employer) under this chapter.
3	(D) This insurer will promptly pay to the person entitled to the

- (D) This insurer will promptly pay to the person entitled to the same all benefits conferred by this chapter, including all physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, and all installments of compensation or death benefits that may be awarded or agreed upon under this chapter. The obligation of this insurer shall not be affected by any default of the insured (the employer) after disablement or by any default in giving of any notice required by this policy, or otherwise. This policy is a direct promise by this insurer to the person entitled to physician's fees, nurse's charges, fees for hospital services, charges for hospital services, charges for burial, compensation, or death benefits, and shall be enforceable in the name of the person.
- (E) Any termination of this policy by cancellation shall not be effective as to employees of the insured covered hereby unless at least thirty (30) days prior to the taking effect of such cancellation, a written notice giving the date upon which such termination is to become effective has been received by the worker's compensation board of Indiana at its office in Indianapolis, Indiana.
- (F) This policy shall automatically expire one (1) year from the effective date of the policy, unless the policy covers a period of three (3) years, in which event, it shall automatically expire three (3) years from the effective date of the policy. The termination either of a one (1) year or a three (3) year policy, is effective as to the employees of the insured covered by the policy."
- (g)(5) All claims for compensation, nurse's charges, hospital services, hospital supplies, physician's fees, or burial expenses may be made directly against either the employer or the insurer or both, and the award of the worker's compensation board may be made against either the employer or the insurer or both.
- (g)(6) If any insurer shall fail to pay any final award or judgment (except during the pendency of an appeal) rendered against it, or its insured, or, if it shall fail to comply with this chapter, the worker's compensation board shall revoke the approval of its policy forms, and shall not accept any further proofs of insurance from it until it shall have paid the award or judgment or complied with this chapter, and shall have resubmitted its policy form and received the approval of the policy by the worker's compensation board.
  - (h) No policy of insurance covering the liability of an employer for

worker's compensation shall be construed to cover the liability of the employer under this chapter for any occupational disease unless the liability is expressly accepted by the insurance carrier issuing the policy and is endorsed in that policy. The insurance or security in force to cover compensation liability under this chapter shall be separate from the insurance or security under IC 22-3-2 through IC 22-3-6. Any insurance contract covering liability under either part of this article need not cover any liability under the other.

- (i) For the purpose of complying with subsection (c), groups of employers are authorized to form mutual insurance associations or reciprocal or interinsurance exchanges subject to any reasonable conditions and restrictions fixed by the department of insurance. This subsection does not apply to mutual insurance associations and reciprocal or interinsurance exchanges formed and operating on or before January 1, 1991, which shall continue to operate subject to the provisions of this chapter and to such reasonable conditions and restrictions as may be fixed by the worker's compensation board.
- (j) Membership in a mutual insurance association or a reciprocal or interinsurance exchange so proved, together with evidence of the payment of premiums due, is evidence of compliance with subsection (c).
- (k) Any person bound under the compensation provisions of this chapter, contracting for the performance of any work exceeding one thousand dollars (\$1,000) in value, in which the hazard of an occupational disease exists, by a contractor subject to the compensation provisions of this chapter without exacting from the contractor a certificate from the worker's compensation board showing that the contractor has complied with subsections (b), (c), and (d), shall be liable to the same extent as the contractor for compensation, physician's fees, hospital fees, nurse's charges, and burial expenses on account of the injury or death of any employee of such contractor, due to occupational disease arising out of and in the course of the performance of the work covered by such contract.
- (l) Any contractor who sublets any contract for the performance of any work to a subcontractor subject to the compensation provisions of this chapter, without obtaining a certificate from the worker's compensation board showing that the subcontractor has complied with subsections (b), (c), and (d), is liable to the same extent as the subcontractor for the payment of compensation, physician's fees, hospital fees, nurse's charges, and burial expense on account of the injury or death of any employee of the subcontractor due to occupational disease arising out of and in the course of the

1	performance	of the	work	covered	by the	subcontract.

- (m) A person paying compensation, physician's fees, hospital fees, nurse's charges, or burial expenses, under subsection (k) or (l), may recover the amount paid or to be paid from any person who would otherwise have been liable for the payment thereof and may, in addition, recover the litigation expenses and attorney's fees incurred in the action before the worker's compensation board as well as the litigation expenses and attorney's fees incurred in an action to collect the compensation, medical expenses, and burial expenses.
- (n) Every claim filed with the worker's compensation board under this section shall be instituted against all parties liable for payment. The worker's compensation board, in an award under subsection (k), shall fix the order in which such parties shall be exhausted, beginning with the immediate employer and, in an award under subsection (l), shall determine whether the subcontractor has the financial ability to pay the compensation and medical expenses when due and, if not, shall order the contractor to pay the compensation and medical expenses.

If the disposing agent determines that the best sale of the property can be made by letting the bidders determine certain conditions of the sale (such as required zoning or soil or drainage conditions) as a prerequisite to purchasing the property, the disposing agent may permit the bidders to specify those conditions. The notice must state the following:

The auction may be conducted either at the time for beginning the sale in accordance with the public notice or after the beginning of the sale. The disposing agent shall give each bidder who has submitted a bid written notice of the time and place of the auction.
- (f) The disposing agent may, before expiration of the time set out in the notice, sell the property to the highest and best bidder. The highest and best bidder must have complied with any requirement under subsection (c)(4). However, the disposing agent may sell the property for less than ninety percent (90%) of the average of the two (2)

6	(g) If the disposing agent determines that, in the exercise of good
7	business judgment, the disposing agent should hire a broker of
8	auctioneer to sell the property, the disposing agent may do so and pay
9	the broker or auctioneer a reasonable compensation out of the gross

SECTION 29. IC 5-14-3-3, AS AMENDED BY P.L.134-2012, SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) Any person may inspect and copy the public records of any public agency during the regular business hours of the agency, except as provided in section 4 of this chapter. A request for inspection or copying must:

- (1) identify with reasonable particularity the record being requested; and
- (2) be, at the discretion of the agency, in writing on or in a form provided by the agency.

No request may be denied because the person making the request refuses to state the purpose of the request, unless such condition is required by other applicable statute.

- (b) A public agency may not deny or interfere with the exercise of the right stated in subsection (a). Within a reasonable time after the request is received by the agency, the public agency shall either:
  - (1) provide the requested copies to the person making the request; or
  - (2) allow the person to make copies:
    - (A) on the agency's equipment; or
    - (B) on the person's own equipment.
- (c) Notwithstanding subsections (a) and (b), a public agency may or may not do the following:
  - (1) In accordance with a contract described in section 3.5 of this

- chapter, permit a person to inspect and copy through the use of enhanced access public records containing information owned by or entrusted to the public agency.
- (2) Permit a governmental entity to use an electronic device to inspect and copy public records containing information owned by or entrusted to the public agency.
- (d) Except as provided in subsection (e), a public agency that maintains or contracts for the maintenance of public records in an electronic data storage system shall make reasonable efforts to provide to a person making a request a copy of all disclosable data contained in the records on paper, disk, tape, drum, or any other method of electronic retrieval if the medium requested is compatible with the agency's data storage system. This subsection does not apply to an electronic map.
- (e) A state agency may adopt a rule under IC 4-22-2, and a political subdivision may enact an ordinance, prescribing the conditions under which a person who receives information on disk or tape under subsection (d) may or may not use the information for commercial purposes, including to sell, advertise, or solicit the purchase of merchandise, goods, or services, or sell, loan, give away, or otherwise deliver the information obtained by the request to any other person for these purposes. Use of information received under subsection (d) in connection with the preparation or publication of news, for nonprofit activities, or for academic research is not prohibited. A person who uses information in a manner contrary to a rule or ordinance adopted under this subsection may be prohibited by the state agency or political subdivision from obtaining a copy or any further data under subsection (d).
- (f) Notwithstanding the other provisions of this section, a public agency is not required to create or provide copies of lists of names and addresses (including electronic mail account addresses) unless the public agency is required to publish such lists and disseminate them to the public under a statute. However, if a public agency has created a list of names and addresses (excluding electronic mail account addresses) it must permit a person to inspect and make memoranda abstracts from the list unless access to the list is prohibited by law. The lists of names and addresses (including electronic mail account addresses) described in subdivisions (1) through (3) may not be disclosed by public agencies to any individual or entity for political purposes and may not be used by any individual or entity for political purposes. In addition, the lists of names and addresses (including electronic mail account addresses) described in subdivisions (1)

through (3) may not be disclosed by public agencies to commercial entities for commercial purposes and may not be used by commercial entities for commercial purposes. The prohibition in this subsection against the disclosure of lists for political or commercial purposes applies to the following lists of names and addresses (including electronic mail account addresses):

- (1) A list of employees of a public agency.
- (2) A list of persons attending conferences or meetings at a state educational institution or of persons involved in programs or activities conducted or supervised by the state educational institution.
- (3) A list of students who are enrolled in a public school corporation if the governing body of the public school corporation adopts a policy:
  - (A) with respect to disclosure related to a commercial purpose, prohibiting the disclosure of the list to commercial entities for commercial purposes;
  - (B) with respect to disclosure related to a commercial purpose, specifying the classes or categories of commercial entities to which the list may not be disclosed or by which the list may not be used for commercial purposes; or
  - (C) with respect to disclosure related to a political purpose, prohibiting the disclosure of the list to individuals and entities for political purposes.

A policy adopted under subdivision (3)(A) or (3)(B) must be uniform and may not discriminate among similarly situated commercial entities. For purposes of this subsection, "political purposes" means influencing the election of a candidate for federal, state, legislative, local, or school board office or the outcome of a public question or attempting to solicit a contribution to influence the election of a candidate for federal, state, legislative, local, or school board office or the outcome of a public question.

- (g) A public agency may not enter into or renew a contract or an obligation:
  - (1) for the storage or copying of public records; or
  - (2) that requires the public to obtain a license or pay copyright royalties for obtaining the right to inspect and copy the records unless otherwise provided by applicable statute;

if the contract, obligation, license, or copyright unreasonably impairs the right of the public to inspect and copy the agency's public records.

(h) If this section conflicts with IC 3-7, the provisions of IC 3-7 apply.

(i) This subsection applies to a public record that is in an electronic format. This subsection does not apply to a public record recorded in the office of the county recorder. The public agency shall provide an electronic copy or a paper copy, at the option of the person making the request for a public record. This subsection does not require a public agency to change the format of a public record.

SECTION 30. IC 5-14-3-8, AS AMENDED BY P.L.16-2008, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 8. (a) For the purposes of this section, "state agency" has the meaning set forth in IC 4-13-1-1.

- (b) Except as provided in this section, a public agency may not charge any fee under this chapter **for the following:** 
  - (1) For a person to inspect a public record. or
  - (2) For a person to search for a public record.
  - (3) For the public agency to search for a public record, if the search does not exceed two (2) hours.
  - (2) (4) For the public agency to search for, examine or review a record to determine whether the record may be disclosed.
  - (5) For the public agency to transmit an electronic copy of a public record by electronic mail. However, a public agency may charge a fee for a public record transmitted by electronic mail if the fee for the public record is authorized under:
    - (A) subsection (f) or (j); or
    - (B) section 6(c) of this chapter.
- (c) The Indiana department of administration shall establish a uniform copying fee for the copying of one (1) page of a standard-sized document by state agencies. The fee may not exceed the average cost of copying records by state agencies or ten cents (\$0.10) per page, whichever is greater. A state agency may not collect more than the uniform copying fee for providing a copy of a public record. However, a state agency shall establish and collect a reasonable fee for copying nonstandard-sized documents.
- (d) This subsection applies to a public agency that is not a state agency. The fiscal body (as defined in IC 36-1-2-6) of the public agency, or the governing body, if there is no fiscal body, shall establish a fee schedule for the certification or copying of documents. The fee for certification of documents may not exceed five dollars (\$5) per document. The fee for copying documents may not exceed the greater of:
  - (1) ten cents (\$0.10) per page for copies that are not color copies or twenty-five cents (\$0.25) per page for color copies; or

- (2) the actual cost to the agency of copying the document. As used in this subsection, "actual cost" means the cost of paper and the per-page cost for use of copying or facsimile equipment and does not include labor costs or overhead costs. A fee established under this subsection must be uniform throughout the public agency and uniform to all purchasers.
  - (e) If:
    - (1) a person is entitled to a copy of a public record under this chapter; and
    - (2) the public agency which is in possession of the record has reasonable access to a machine capable of reproducing the public record;

the public agency must provide at least one (1) copy of the public record to the person. However, if a public agency does not have reasonable access to a machine capable of reproducing the record or if the person cannot reproduce the record by use of enhanced access under section 3.5 of this chapter, the person is only entitled to inspect and manually transcribe the record. A public agency may require that the payment for **search and** copying costs be made in advance.

- (f) Notwithstanding subsection (b), (b)(1), (b)(2), (b)(3), (c), (d), (g), (h), or (i), a public agency shall collect any certification, copying, facsimile machine transmission, or search fee that is specified by statute or is ordered by a court. Notwithstanding subsection (b)(4), a public agency shall collect any certification or search fee that is specified by statute or is ordered by a court.
- (g) Except as provided by subsection (h), for providing a duplicate of a computer tape, computer disc, microfilm, or similar or analogous record system containing information owned by the public agency or entrusted to it, a public agency may charge a fee, uniform to all purchasers, that does not exceed the sum of the following:
  - (1) The agency's direct cost of supplying the information in that form.
  - (2) The standard cost for selling the same information to the public in the form of a publication if the agency has published the information and made the publication available for sale.
  - (3) In the case of the legislative services agency, a reasonable percentage of the agency's direct cost of maintaining the system in which the information is stored. However, the amount charged by the legislative services agency under this subdivision may not exceed the sum of the amounts it may charge under subdivisions (1) and (2).
  - (h) This subsection applies to the fee charged by a public agency for

providing enhanced access to a public record. A public agency may charge any reasonable fee agreed on in the contract under section 3.5 of this chapter for providing enhanced access to public records.

- (i) This subsection applies to the fee charged by a public agency for permitting a governmental entity to inspect public records by means of an electronic device. A public agency may charge any reasonable fee for the inspection of public records under this subsection, or the public agency may waive any fee for the inspection.
- (j) Except as provided in subsection (k), a public agency may charge a fee, uniform to all purchasers, for providing an electronic map that is based upon a reasonable percentage of the agency's direct cost of maintaining, upgrading, and enhancing the electronic map and for the direct cost of supplying the electronic map in the form requested by the purchaser. If the public agency is within a political subdivision having a fiscal body, the fee is subject to the approval of the fiscal body of the political subdivision.
- (k) The fee charged by a public agency under subsection (j) to cover costs for maintaining, upgrading, and enhancing an electronic map may be waived by the public agency if the electronic map for which the fee is charged will be used for a noncommercial purpose, including the following:
  - (1) Public agency program support.
  - (2) Nonprofit activities.
  - (3) Journalism.
  - (4) Academic research.
- (1) This subsection applies to a public agency that charges a fee for the public agency to search for a public record. A public agency may not charge a fee for the first two (2) hours required to search for a public record. A public agency may charge a search fee for any time that exceeds two (2) hours. If the public agency charges a search fee, the agency shall charge an hourly fee that does not exceed the lesser of:
  - (1) the hourly rate of the person making the search; or
  - (2) twenty dollars (\$20) per hour.

A public agency charging an hourly fee under this subsection for searching for a public record may charge only for time that the person making the search actually spends in searching for the record. A public agency may not charge for computer processing time and may not establish a minimum fee for searching for a public record. A public agency must make a good faith effort to complete a search for a public record within a reasonable time in order to minimize the amount of a search fee. The fee shall be

prorated to reflect any search time of less than two (2) hours. If a fee is charged by a public agency under subsection (g), (h), (i), or (j) for a public record, the public agency may not charge a fee for searching for the record under this subsection. A search fee collected by a department, an agency, or an office of a county, city, town, or township shall be deposited in the general fund of the county, city, town, or township."
